### HOW TO MEASURE:

Please, for your confort and happiness, take your time and take care when following the instructions below. Your shoes will only fit you well if you use the correct measurements! Thanks.

**STEP 1:** Remove shoes keeping socks on.

**STEP 2:** Have a friend drawing the outline of your feet **standing** on a piece of paper. Your body weight must be equally distributed on both feet. You musn't draw yourself as it won't be correct! The pencil must be sharp and placed as **illustration 2**. Measure both feet and choose the longest foot as reference.

**STEP 3:** Compare your **longest** foot measurements with above chart.

**STEP 4:** Order you colinmcrasport shoes giving us your measured size!

**STEP 5:** Enjoy!
